2. The training sessions scheduled in ATC 2026-27 will be conducted as per the Standard Operating Procedures (SOP) dated 02.05.2023 (copy enclosed). TT&C Division will provide the Master Trainer for the training sessions. It will be the responsibility of ROs to arrange venue, logistics and other necessary requirements for conduction of training sessions.

3. After completion of each training session, ROs have to forward hard/soft copies of feedback forms with respect to each completed training session and provide information as per Annexure-X (copy enclosed) **within five (05) days** of the training session.

4. This issues with the approval of Competent Authority.
