Definitions

Unless the Context requires otherwise:

Registrar means State Bank of Mysore including its agents like Business correspondents etc., who, in normal course of implementation of some of their programs or activities interact with the Residents and are authorized by the UIDAI to enroll residents into the UID system. It is clarified that the UIDAI has appointed many Registrars and State Bank of Mysore is one such Registrar. The appointment of Registrars of UIDAI is bought out in clause 1 of this MoU providing for UID project and scope of MoU. Examples of such Registrars are Rural Development Department (for NREGS) or Civil Supplies and Consumers Affairs Department (for TPQS) and Banks.

Enrolling Agencies are entities hired by the Registrars to perform enrolment functions on behalf of the Registrars.

UID project and scope of the MOU:

1. The UIDAI has the mandate from the Government of India to issue unique identification numbers (UID numbers) to residents of India based on demographic and biometric data of the individual. UIDAI will become partner with government and other agencies leveraging their existing infrastructure in order to supplement the UID project. These agencies will be called the Registrars of UIDAI.
2. UIDAI will set standards and processes for enrolment to be uniformly followed by all Registrars and Enrolling Agencies. The UIDAI will issue UID number after checking that the resident applying for UID does not already have a record and a UID number in the UID database (de-duplication). In addition, the UIDAI will provide online, real-time Authentication service.

3. The MOU between the UIDAI and State Bank of Mysore sets out below, the general-broad based intentions of both parties for collaboration and as an umbrella understanding for facilitation of subsequent agreements and documents relevant to the implementation of the UID project by State Bank of Mysore.
4. The UID project will be implemented in a phased manner; UIDAI will be conducting proof of concept studies and pilots to test the working of the technology and process of enrolment, subsequent to the Pilots the full roll out of the UID project will take place. The State Bank of Mysore will cooperate and actively participate in each of these phases as required by UIDAI.
5. In the interest of clarity and to reduce ambiguity, the UIDAI shall execute additional agreements and documents to capture details about implementation of UID project with State Bank of Mysore.
6. UIDAI shall:
 - a) Develop and prescribe standards for recording data fields, data verification and biometric fields.
 - b) Prescribe and process for enrolment of residents, this will include among other things the process for collection of biometric data.
 - c) Provide/prescribe the software that will be used for enrolment of people into the UID data base in order to issue the UID numbers.
 - d) De-duplicate the data base of the residents on the basis of the Demographic and Biometric data and issue UID numbers to only those whose uniqueness of identity has been established and after ensuring that this person has not enrolled in the UID database before.
 - e) Issue a letter communicating the UID number directly to the person who has been allotted UID number after de-duplication. UIDAI will also communicate the UID number electronically with the Registrar in UIDAI prescribed format.
 - f) Authenticate the identity of a person with a UID number as per the protocols prescribed by the UIDAI.
 - g) Prescribe protocols for a record keeping and maintenance of the information collected for the issuance of a UID number.

- h) Prescribe protocols for transmission of data collected for de-duplication.
 - i) Prescribe protocols to ensure confidentiality, privacy and security of data.
 - j) Prescribe limits for fees that could be charged for issuing a UID number.
 - k) Prescribe protocols for spreading and communicating the message, content and intent of the UID project. Since the UIDAI logo and brand name are properties of UIDAI, UIDAI will prescribe the manner and the limits of use of UIDAI logo, brand name, brand design and other communication and awareness materials.
 - l) Prescribe other protocols, processes and standards that UIDAI may deem necessary for the implementation of the UID project.
 - m) Conduct periodic audit of the enrolment process and to this end shall have the power to visit and inspect offices of the Registrars and enrolling agencies. Such audits are necessary to ensure the integrity of the enrolment process and to ensure uniformity across the country.
 - n) Prescribe mechanisms for resolution of grievances that the residents may have during enrollment and authentication
7. State Bank of Mysore (Registrar) shall:
- a) Co-operate and collaborate with the UIDAI in conducting proof of concept (PoC) studies, pilots to test the working of the technology and process of enrolment in the UID data base and subsequently full roll out of the UID project.
 - b) Follow the criteria and processes for appointment of enrolling agencies prescribed by the UIDAI.
 - c) Put in place an institutional mechanism to effectively oversee and monitor the implementation of the UID project in general and monitor specifically Enrolling Agencies.
 - d) Provide required financial and other resources to carry out the enrolment processes as per the phasing decided by UIDAI.
 - e) Cooperate and collaborate with and provide all assistance and support to the Deputy Director Generals (DDGs) concerned of the UIDAI and other staff members/consultants/advisors of the UIDAI to effectively implement the UID project with State Bank of Mysore.

- f) Wherever possible, provide logistic and liaison support to the staff and representatives of UIDAI when they visit the Enrolling Agencies implementing the UID project.
 - g) Work with UIDAI to resolve difficulties faced on the ground in the implementation of the UID project.
 - h) Follow the process set out by the UIDAI for resolution of grievances, difficulties and conflict regarding matters concerning the UID project.
- 8 The following is an indicative list of the obligations of the State Bank of Mysore as Registrar. These may further be elaborated and detailed additional agreements and documents as deemed necessary by UIDAI may be prescribed. Notwithstanding anything contained in this clause, this list can be expanded or elaborated as required to ensure integrity and uniformity of enrolment into the UID database. In order to implement the UID project, the Registrars shall -
- a) Either do the enrolment directly or through enrolment agencies who shall be identified and appointed by the Registrars (UIDAI may recommend certain criteria to be fulfilled to be an Enrolling Agency. The Enrolment Agencies will be working on behalf of the Registrars and will be accountable to the Registrars; therefore, they should follow the standards, protocols, processes laid down the UIDAI to implement the UID project. Registrars must ensure compliance by the Enrolling Agencies of the standard, protocols, processes laid down by the UIDAI on the continuous basis.
 - b) Follow standards for data fields, data verification and biometric fields prescribed by the UIDAI.
 - c) Follow the process for enrolment of residents; this will include among other things the process for collection of biometric data prescribed by the UIDAI.
 - d) Use the software developed by the UIDAI for the enrolment of people into the UID data base for the issuance of the UID number.
 - e) Use only those devices and IT systems whose specifications have been approved by the UIDAI.

- f) Follow the protocols prescribed by the UIDAI for record keeping and maintenance.
- g) Follow the process and systems prescribed by the UIDAI for transmission of the data collected for de-duplication.
- h) Follow the confidentiality, privacy and security protocols prescribed by the UIDAI
- i) The Registrar will have option to charge a fee for the UID service but the fees charged from the residents cannot be higher than the maximum amount prescribed by the UIDAI in this regard.
- j) Follow protocols prescribed by the UIDAI for spreading and communicating the message, content and intent of the UID project. Since the UID logo and brand name are properties of UIDAI, the UIDAI will prescribe the manner and limits of the use of UIDAI logo, brand design, and other communication and awareness materials.
- k) Follow protocols processes and standards prescribed by the UIDAI for the implementation of the UID project.
- l) Allow the UIDAI to conduct periodic audit of the enrolment process and to visit and inspect the offices and records of the Registrar and enrolment agencies and any other place the UIDAI or its empowered agency may deem necessary for the purpose.
- m) Submit periodic reports of enrolment to the UIDAI in the form and manner prescribed by the UIDAI.
- n) Wherever possible, provide logistic and liaison support to the staff and agents of UIDAI when they visit the Registrar and Enrolling Agencies implementing the UID project.
- o) Provide information related to the UID project to the UID from time to time as requested by UIDAI.
