

e-Aadhaar valid proof for travel, says S Railway

Vellore: The Southern Railway has announced that the photocopy of e-Aadhaar card downloaded from the Unique Identification Authority of India (UIDAI) website should be considered as prescribed proof for train travel in all classes. In guidelines issued to Travel Ticket Examiners (TTEs) a week ago, the Southern Railway authorities referred to the Railway Board directive and said that the photo copy of e-Aadhaar downloaded from the website <https://uidai.gov.in/> should be considered as proof of identity on a par with the printed Aadhaar card.
