

Delhi RO UIDAI celebrates Aadhaar 1st Anniversary by organising special enrolment drives

As part of the first anniversary celebrations of the Aadhaar launch, on 29th Septmeber 2011, the Delhi Regional Office organised two special camps to enrol residents at the Godhuli Senior Citizens Home at Plot No. 107 Sec 2, Dwarka and the Prerna Niketan Sangh at Pappan kalan Dwarka which is a home for physically disabled children.

The camp at Godhuli was set up to enrol the approximately 60 people who reside there. Godhuli director Mr. Ashok Bharadwaj acknowledged this as “a wonderful gesture by the UIDAI”. He said a lot of the Godhuli residents cannot go to enrolment centres and having enrolments take place at Godhuli was extremely convenient for them.

At the Prerna Niketan Sangh Aadhaar camp 52 people who live there were enroled and bank accounts were opened for 31 people. The Director Prerna Niketan Sangh, Mrs. Menu Saxena informed our team that, in 12 years the center had grown from five to the present forty-seven children, aged between 8 – 20, who now live there. She expressed her gratitude to the Aadhaar team for reaching out to the children, many of whom have no form of identification. Out of the 47 children enroled, there were a few who were biometric exceptions.
