(e) the details of the Steps taken by Government to achieve the targets of Phase II in time?

<p style="text-align:center; color:red;">ANSWER</p>

MINISTER OF STATE FOR PLANNING, SCIENCE & TECHNOLOGY
AND EARTH SCIENCES

(DR. ASHWANI KUMAR)

(a) & (b): The Unique Identification Authority of India (UIDAI) has been mandated to generate & issue uniq
identification numbers (Aadhaar) to all the residents of India. UIDAI was authorized to enroll, through Multi
upto 200 million residents by March 2012. The initial phase of enrolling 200 million residents has already be
and about 16.99 Aadhaar numbers have been generated as on 08.05.2012.

(c) to (e): UIDAI has been mandated to by Cabinet Committee on UIDAI to enrol additional 40 crore Reside
Aadhaar in Phase II . The States/UTs in which the enrolments will takes place are at Annexure-I.

Drawing learnings from the experience of the Phase I and the various suggestions received from Stakeholder
Eco-System, the following amendments/improvements have been incorporated in the existing process/guidel
technology:-

(i) UIDAI will continue to have Multi Registrars Model to cover the target population within the given time
registrars of UIDAI (excluding RGI) will enrol within the geographical boundaries of 18 States/UTs. Non St
(Banks, IGNOU, NSDL etc.) will work on the model of enrolments within/near own premises under intimati
Offices of UIDAI. They will follow enrolment model of sweep approach in consultation with Regional Offic
Governments.

(ii) Registrars have been advised to engage UIDAI empanelled enrolment agencies for undertaking enrolmen
Agencies will also undergo enrolment centre on-boarding process prior to launching enrolment activities. En
Agencies are to re-register all their machines before launching fresh enrolment. They have to also prepare en
Training for Admin Staff, and Operators/Supervisors has been emphasized.

(iii) There would be special focus on social inclusion during enrolment.

(iv) Setting up of permanent enrolment centres for those who have missed the first phase of enrolment. These also be a touch point for correction/modification/updation and re-enrolment, if necessary.

(v) It has been re-emphasized that no sub-contracting of enrolment work is permissible.

(vi) It has been decided that third party audit of EA performance needs to be implemented to review process with enrolment process.

(vii) To de-incentivize errors committed by operators/supervisors during enrolment in the field, provision ha impose penalties.

(viii) It has been mandated that Registrars will ensure the presence of document verifiers at all enrolment cer

(ix) GPS system should be activated as soon as possible to ascertain the location of enrolment centres and as feature.

(x) All operators will do End of Day Review (EOD) of their enrolments to ensure demographic errors are mi

(xi) Synching of enrolment stations every 10 days with CIDR & uploading of packets within 20 days of enro

(xii) Java based Single client version i.e. Java based client version 2.1.0.0 has already been rolled out on 07.0 resident enrolment during phase II.
(xiii) There should be provision of scanning of PoI/PoA documents provided by the residents during the time

The necessary hardware for processing the additional enrolments will be acquired as per need. The Governm approved a total of Rs. Rs. 8814.75 for Phase-III, which subsumes Rs. 3023.01 crore provided in Phase II. Fo year 2012-13, a budget provision of Rs. 1758 Crore has been made by the Government to enable UIDAI to c mandate.
