11	Section 1 / Vol II	Clause 1.5 / Pg 20	Timelines	What is the meaning of "maximum extent"? Can some percentage be defined?	Maximum Coverage of total population
12	Section 1 / Vol II	Clause 1.6 / Pg 20	Payment to the Enrolment Agency	Will the payment of be made for the "Submission for KYR and KYR+ data along with documents of residents to the Registrar" for unsuccessful UID also?	Payments will be made only w.r.t to successful generation of UID
13	Vol II	Annexure II	Specifications and formats for capturing KYR+	Please explain what is to be done in the following scenarios i) the resident does not give the information ii) the resident gives only some information out of total information iii) the resident gives information but does not have the necessary documentary proof	UIDAI enrolment is optional for the residents, hence it is at the discretion of resident to give information
14	Vol II	Miscellaneous	Introducers	Introducers can function only when their Aadhaar no is generated. This again goes against the timelines specified in the document.	Before the the kick start of enrolments across the State, the introducers will get first enrolled
15	Volume-II	1.3	Operational & Maintenance SLA/ Upload of KYR, KYR+ data to CIDR/GSIDBS-Timeline 7 days from the date of enrolment.	Practically to adhere to this is difficult most of the time. For our last few month of experience it has been found frequently that AADHAAR portal down for several day for Maintenance and upgradation phase which lead to delay in upload so we need to know th mechanism planned by GSIDBS to avoid any damarage for Enrolment agency as their will be deviation from desired SLA in this case. 16	Volume-II	1.3	Operational & Maintenance SLA/Data packets rejected / hold by CIDR due to enrolment through unregistered stations, operators, supervisors and introducers.	The reason for these situation will be several which are not in the control of Enrolment agent , kindly refer the scenarios under mentioned- 1. For any new enrolment agency to start the enrolment first they need to do the enrolment of operator/supervisor for the Enrolment ID to get registered for certification, suppose the packet was not uploaded by that specific enrolment station due be to several reason which is not in the control of that candidates then what will be the penalty . This is we are asking because the packet generated by any operator or Supervisor will be approve for AADHAAR issuance only when he is active in portal and as per new norms of the UIDAI operator and Supervisor can start enrolment even his activation in process which in turn depends upon the packet status uploaded to the CIDR. so even he does successful enrolment from his dedicated station the packet generated by this very operator/supervisor will be on hold till his activation. 52	Vol I		Is the district list provided with population details are not undergoing UID enrolment from other registrars? If Yes, please provide details. In such case, on what basis the EA will quote as it is not clear how many people have actually enrolled themselves and how many are left out? Can we have a no competing clause between registrars - ensuring only one registrar is operating in a single district? How does Gujarat Social Infrastructure Development Board Society plans to ensure the same ? Hence the facts for each district has to be clear to quote. Please clarify		Registrar will provide the details of Non-State registrars working in the same district and there enrolment strategy till 31-May-2012. However final decision on enrolment strategy (EAs of State & Non-State Registrars) will taken Municipal Commissioner in Municipal Corporation & Collector in District. UIDAI follows a multi Registrar Model and UID No for residents is not mandatory and it is at the option of resident to get enrolled
53	Vol II		The Enrolling Agency shall also be responsible for delivering additional services as required by the Registrar through this RFQ. Please clarify what are the additional services as required by registrar?		1)Additional services means collection Collection of KYR+ field data along with documents from all the residents by using the KYR+ software to be provided by Government of Gujarat and sending it to central location (through pen drive or memory stick) or uploading it for storage. 2) Storing of PoA/PoI documents, and handing them to UIDAI document management system provider for scanning & uploading of documents. 3) EA has to conduct required IEC at Enrolment camp level and other places as necessary 4) GoG will not provide forms, EAs will have to get it printed as per the guidelines of GoG, at there own cost
