

Responses/ Clarifications to the Pre-Bid Queries raised by the prospective bidders in connection with
EOI Reference Number:26016/47/12-Tech
for Hiring of Data Center Space and Facilities for UIDAI at Bengaluru

| Sr No. | Section No. and Part No. | Page No. | Table of Contents Section No. | Table of Contents Sub section No. | Existing Provision in the RFP | Clarification Sought | UIDAI's Response/ Clarification |
|--------|--------------------------|----------|-------------------------------|-----------------------------------|--|--|---|
| 1 | ANNEX-I | 15 | 3.2.2 | | Age of the building should be not older than 10 years on the stipulated date of submission of the bid | Query: This 10 years should be restricted to the collocation part of the building. Change Sought: Age of the building should be not older than 10 years for the collocation part of the building on the stipulated date | Accepted However the Bidder should have the Structural Stability Certificate from a chartered structural Engineer issued within last 1 year irrespective of the age of the building. |
| 2 | ANNEX-I | 16 | 3.2.2 | | Should have a freight elevator to carry the IT equipment to DC located in upper floor and should be of minimum 2000kg capacity | Query: Electric hoist of necessary 2000kg capacity to be permitted. Change Sought: Should have a freight elevator/hoist to carry the IT equipment to DC located in upper floor and should be of minimum 2000kg capacity | Accepted |
| 3 | ANNEX-I | 16 | 3.2.2 | | Should be protected from electro-magnetic interference and radio frequency interference. | Query: Protection required against RFI and EMI if source of RFI & EMI is present in the vicinity. Change Sought: Should be protected from electro-magnetic interference and radio frequency interference in case there is a source in the vicinity. | Accepted |
| 4 | ANNEX-I | 16 | 3.3 | | False floor minimum ULD should be 1500kg/sq Mtr and Point loading 500 kg/sq Mtr | Query: As the standards for ULD are 1200 kg/Mtr and 450 kg/sq mts, this may be changed. Change Sought: False floor minimum ULD should be 1200kg/sq Mtr and Point loading 450 kg/sq Mtr | Accepted |
| 5 | ANNEX-I | 17 | 3.4 | | Should be provided with minimum 3-ph, 32 A power socket with plug | Query: 3 Phase not required in Communication Room as rack load is 4.5 KW. Change Sought: Should be provided with 1-ph, 32 A/63A power socket with plug upto 6.5 Kw. | Accepted 1-Ph only for communication room In case if 3-ph required then the same will be intimated by UIDAI |
| 6 | ANNEX-I | 18 | 3.5 | | Fire suppression in staging room | Query : Portable Fire extinguisher is standard. Change Sought: Fire Suppression/fire extinguisher in staging room | Accepted |
| 7 | ANNEX-I | 18 | 3.6 | | Fire suppression in Secure storage space | Query : Portable Fire extinguisher is standard. Change sought: Fire Suppression/fire extinguisher in secure storage room | Accepted |
| 8 | ANNEX-I | 20 | 3.6 | | Fire suppression in Services/Utility rooms | Query : Portable Fire extinguisher is standard. Change Sought: Fire Suppression/fire extinguisher in services/utility room. | Accepted |
| 9 | ANNEX-I | 22 | 3.10.5 | | Dedicated UPS (N+N) for UIDAI | Query : UPS of N+N are shared for collocation space. Change Sought: Shared/dedicated UPS (N+N) for UIDAI | Accepted as shared/dedicated UPS System |

| Sr No. | Section No. and Part No. | Page No. | Table of Contents Section No. | Table of Contents Sub section No. | Existing Provision in the RFP | Clarification Sought | UIDAI's Response/ Clarification |
|--------|--------------------------|----------|-------------------------------|-----------------------------------|--|---|---|
| 10 | ANNEX-I | 22 | 3.10.6 | | Each rack distribution should be provided through three phase, 4P+E, 5 pin industrial socket | Query :For 4.5KW and 6.5 KW , three phase not required. Change Sought :4.5 kw and 6.5 kw rated rack distribution to be provided through single phase power socket. For 13.5 KW rated, rack distribution to be provided through three phase power socket. | 3-ph minimum required for respective density racks inside data center space In case if 1-ph required then the same will be intimated by UIDAI |
| 11 | Eligibility Criteria | 6 | 5.3:1 | | Self declaration certificated to be signed by CEO/CFO/MD of the Bidder's organization | Query :Request to be changed to Authorized Signatory , having Power of Attorney. Change Sought : Self declaration certificated to be signed by CEO/CFO/MD/Authorised Signatory of the Bidder's organization | Agreed Power of attorney shall be provided in name of authorised signatory for signing the respective documents proofs against respective criteria. |
| 12 | Date Extension | 4 of 13 | | | Latest date of submission of EOI response on 30th April 2013 | Query :Request for extending the date of submission. Change Sought : Request to extend the date of submission of response to a minimum of 10 days after these queries are replied by UIDAI | Latest date for submission of EOI response revised to 17th May 2013 |
| 13 | EOI-DOC | EOI | 5 | - | - | There's NO consortium/partner model proposed for bidding. Request UIDAI to please include the same in EOI. | Not accepted |
| 14 | ELIGIBILITY CRITERIA | 7 | 5.3.1.3 | | Bidder should've Min. annual Revenue of 15 cr INR..... | Can the bidder provide self declaration certificate be duly certified by Authorised Signatory instead of CEO/MD/CFO. | Yes Power of attorney shall be provided in name of authorised signatory for signing the respective documents proofs against respective criteria. |
| 15 | ELIGIBILITY CRITERIA | 7 | 5.3.1.4 | | Bidder should've operational Data Center collocation space between 3000 sqft | Can the bidder provide self declaration certificate duly certified by Authorised Signatory instead of CEO/MD/CFO. | Yes Power of attorney shall be provided in name of authorised signatory for signing the respective documents proofs against respective criteria. |
| 16 | ELIGIBILITY CRITERIA | 7 | 5.3.1.5 | | Bidder should've hosted DC collocation space for min. 2 Customers..... | i. Min. of 2 Govt/PSU/State ii. Can the bidder provide self declaration certificate duly certified by Authorised Signatory instead of CEO/MD/CFO. | I. Query not clear ii .Yes Power of attorney shall be provided in name of authorised signatory for signing the respective documents proofs against respective criteria. |

|--------|--------------------------|----------|-------------------------------|-----------------------------------|---|--|--|
| 48 | ANNEX-I | 8 | 2.5 | d | □ Provide and maintain necessary documents on daily, weekly, fortnightly and monthly basis manage various system and vendors, DCSPs to ensure timely services, spares and AMC contract services | Is there any format for UIDAI in which report need to be submit. | Will be provided to the selected Bidder |
| 49 | ANNEX-I | 10 | 2.5.1.1 | b | The DCSP should also provide a toll-free number to the help desk stationed in his premises. | Please confirm that dedicated helpdesk for UIDAI at Bangalore is required ? | It should be preferably dedicated |
| 50 | ANNEX-I | 12 | 2.5.4 | | Payment shall be on quarterly basis after UIDAI's approval on deliverables and adherence to SLA after considering due penalty and liquidation damages if applicable. | Kindly confirm the timelines for these payments .Is UIDAI will pay the same to DCSP within 7-10 days of Invoice. | UIDAI will make efforts subject to fulfilments of requisite documents required for invoice submission as per the general terms and conditions of the contracts and timelines may be consider during RFP stage. |
| 51 | ANNEX-I | 16 | 3.3 | a | Bidder should offer a contiguous space of Data Center ,separately indicating scalability of additional space if available. | On Page number 6 UIDAI ask for Preferably contagious or On 2 floor and in the 3.3(a) it is mentioned Contagious space. Please clarify. | Total space required preferably should be in a contiguous area or at maximum of two storey floors one above the other or two different places in same building |
| 52 | ANNEX-I | 15 | 3.2.2 | (c(iv)) | The Weight of Satellite Antennae (if placed on terrace), should be structurally balanced to ensure that the loading on the building would not affect the structural stability of the building. | Kindly confirm UIDAI is asking about existing antenna or UIDAI would install some antenna. | Existing Antenna if installed at DCSP's facility |
| 53 | ANNEX-I | 20 | 3.10.2 | a | The transformer employed should be as per the designed capacity with N+N/ N+1 Configuration | Since the DG Set available at DC is in N+1 configuraton.Is it mandatory to have N+1 Transformer. | This may be evaluated during RFP stage |
| 54 | ANNEX-I | 22 | 3.1.0.5 | i | The UPS System should be dedicated to UIDAI. | UPS available as a part of DC Infrastructure and is common for all customer hosted in the same DC area in 2(N+1)configuration. Please confirm is it mandatory to install separate UPS for UIDAI. | Both the option accepted ; dedicated or shared |
| 55 | ANNEX-I | 22 | 3.10.6 | b | Each Rack distribution should be provided through Three phase, 4P+E, 5 pin industrial socket of required capacity with power cable up to Rack's power strip and nominal current,kA rating of each sockets should be sized adequately considering IT kW Load, inrush current, surge and other factors. | UIDAI to confirm why all the racks require 3 phase input power supply. Can this be provisioned only to those racks which hosts equipments requiring 3 Phase power supply. | Refer to response against Query at Sr. No: 10 |
| 56 | ANNEX-I | 25 | 3.11.2 | | Temperature & humidity monitoring sensors should be deployed on each aisle and the same should be connected to BMS System | Temperature and humidity sensor monitoring should be done manually at frequent intervals and update in BMS system. | Accepted |
| 57 | ANNEX-I | 30 | 3.15 | | Network setup and Racks | UIDAI to confirm the dimensions of Racks (HXWXD)with numbers of Racks required . | Refer to response against Query at Sr. No: 73 |
| 58 | ANNEX-I | 30 | 3.15 | | Network setup and Racks | Please specify the quantity of copper and fiber ports required in each Rack. | Will be provided during RFP stage |

| 59 | Date Extension | 3 | 3 | | Latest Time & Date for EOI Submission | We request you to kindly extend the response submission date by 3 weeks. | Refer to response against Query at Sr. No: 12 |
| 60 | Date Extension | | | | | Seeks Ten days extension for the Bid submission date. | Refer to response against Query at Sr. No: 12 |
| 61 | General | | | | | Requested for EOI document. Not able to retrieve the EOI-DOC from tender section on Website. | Uploaded on website on 22nd April 13 |
| 62 | General | | | | | tender document on UIDAI website | Uploaded on website on 22nd April 13 |
| 63 | Date Extension | | | | | Seeking extension of submission date by 15 days from 30th April, 2013 to 15th May, 2013. | Refer to response against Query at Sr. No: 12 |
| 64 | ANNEX-I | 45 | 4 | | Project schedule | Bidder proposes that the required area can be retrofitted for the customized requirement within 6 – 8 months' time frame. | DC ready space require as per the timelines stipulated in the EOI |
| 65 | ANNEX-I | 4 | 1.3 | | Datacenter space requirement | Can area for racks be optimized, i.e. less than 3000 sq. ft., meeting total number of racks and power? | Yes, if it meets the rack and power requirement DC layout design should be as per best industry practice considering the rack movement and access space |
| 66 | General | | | | | Bidder needs clarity on the following-A) What will be the Day 1 minimum power & rack quantities for IT and network? B) What will be ramp up scale for the same for day 1, day 2 ...etc.? | Requirement stipulated in the EOI is "Day - 1" requirement. |
| 67 | General | | | | Office area | Bidder needs clarity if the office area can be optimized i.e. less than 600 sq ft, while meeting space for 15 people and one single cabin? | Yes, if it meets the minimum seats requirement . Layout design should be as per the industry best practice |
| 68 | ANNEX-I | | 1.3 2 f | | Media storage room | Can media storage room be proposed away from datacenter floor area? Can this be along with office workspace and area? | Accepted but should be in same building as data center space |
| 69 | ANNEX-I | | 2.2 d | | Communication room | What will be projected requirement for cross connects patch cords to main inventory at site? Who will supply these patch cords inventors for required specification and varying length? | It will be in scope of Bidder and the BOM will be provided during RFP stage |
| 70 | ANNEX-I | | 2.3 b | | Office space | Bidder requests for area and size of cabin for us to arrive on a layout. | 100 sq ft approx |
| 71 | General | | | | | Is 600 sq ft office space inclusive of cabin for senior person? | Yes |
| 72 | ANNEX-I | | 3.3 –i | | False floor loading | What will be maximum weight of any heavier rack? | It is 1200 kg approx |
| 73 | ANNEX-I | | 3.3-e | | | Requests for the Depth , width and height of server & network racks | At this stage ,bidder should consider dimension as 800x1200X2150mm (WXDXH) for planning, however there may be different dimension of racks and details would be provided to selected bidder at the time of IT rack deployment. |
