

QUERY RESPONSE FOR REQUEST FOR EMPANELMENT (RFE)

OF ADVERTISING AGENCIES FOR REGIONAL OFFICE, MUMBAI

(Reference no:F-12013/41/09/UIDAI/Adv.Empl(Pt.)

With reference to above tender notice the following responses for the queries received is given below for information.

The query and the reply thereto are as under:-

Sr. No.	Query	Reply
1	Requested to delete the clause No.3.2 of RFE which creates entry barriers by driving competitors out from the tender process, this is presumably against the competitions Act 2002 of India (as per Section 19(3) of the Act).	Since RFE is already published, no change in qualifying criteria can be considered at this stage. However the same would be given due consideration in future, because at this stage we would not like to change the eligibility criteria.
