3	CSS TECHNERGY LIMITED	5.4	16 Volume 1	Evaluation Process	The possibility of a single bidder quoting abnormally low rate and getting the entire work is high. Kindly consider of devising a methodology of allocating work to 4 or 5 bidders to ensure quick ramp up, accountability and for having fall back mechanism	As per RFQ
4	CSS TECHNERGY LIMITED	5 Time line	23 Volume 2	Time lines : Registrar/District Registrar will adopt a sweep approach where EA will be required to cover each location three times maximum to achieve maximum enrolments. Further details regarding sweep process will be communicated to successful bidder	Please clarify if our understanding is correct: Round 1 means visiting a place for enrollment for three times.	A location may be visited once or <b>maximum</b> three times during round 1 if District Registrar finds it necessary.
5	CSS TECHNERGY LIMITED	5 Time line	23 Volume 2	Round 2 will be of 6 month duration after end of Round I. This round may be extended for further period of upto 12 months on same terms and conditions.	Can paying a minimum support price per station per month be considered (like few other State UID RFQs) for permanent stations to cover the basic expenses of the EA. This will also enable EA to give a competitive quote for the work proposed.	As per RFQ
