Numbers to the residents of India and whereas United Bank of India has the necessary infrastructure and wherewithal to implement the project of UIDAI for identifying the residents of India and whereas United Bank of India has agreed to undertake to implement the work of issuing Unique I D Numbers to the residents of India.

Whereas, in order to implement the UID project in the States of Indian union as mutually agreed, United Bank of India is entering into this MoU with the UIDAI.

Whereas United Bank of India will set up suitable machinery for the implementation of the UID project.

Whereas this MoU shall come into effect from 13.08.2010.

**Definitions:**

Unless the Context requires otherwise;

**Registrar** will be United Bank of India including its agents like Business Correspondents etc. who in normal course of implementation of some of their programs, activities or operations interact with residents and are authorized by the UIDAI to enroll residents into the UID System. Examples of such Registrars are Rural Development Department (for NREGS) or Civil Supplies and Consumer Affairs Department (for TPDS), insurance companies, and Banks.

**Enrolling Agencies** are entities hired by Registrars to perform enrolment functions on behalf of the Registrar(s).

**UID Project and the scope of the MoU**

1. The UIDAI has the mandate from the Government of India to issue unique identification numbers (UID) to residents of India based on demographic and biometric data of the individual. UIDAI will become partner with Government and other agencies leveraging their existing infrastructure in order to implement the UID project. These agencies will be called the Registrars of the UIDAI.

2. UIDAI will set standards and processes for enrolment to be uniformly followed by all Registrars and Enrolling Agencies. The UIDAI will issue UIDs after checking that the resident applying for UID does not already have a record and a UID number in the UID database (de-duplication). In addition the UIDAI will provide online, real-time Authentication service.

3. This MoU between the UIDAI and United Bank of India sets out below, the general and broadbased intentions of both Parties for collaboration and as an umbrella understanding for facilitation of subsequent agreements and documents relevant for the implementation of the UID project by United Bank of India.

4. The UID project will be implemented in a phased manner; the UIDAI will be conducting proof of concept studies and pilots to test the working of the technology and process of enrolment, subsequent to the Pilots the full roll out of the UID project will take place. United Bank of India will cooperate and actively participate in each of these phases as required by UIDAI.

5. In the interest of clarity and to reduce ambiguity, the UIDAI shall execute additional agreements and documents to capture details about implementation of UID Project with United Bank of India.

6. UIDAI shall:

a. Develop and prescribe standards for recording data fields, data verification and biometric fields.

b. Prescribe a process for enrolment of residents; this will include among other things the process for collection of biometric data.

c. Provide/prescribe the software that will be used for the enrolment of people into the UID database in order to issue the UID number.

d. De-duplicate the database of the residents on the basis of the Demographic and Biometric data and issue UID numbers to only those whose uniqueness of identity has been established and after ensuring that the person has not enrolled in the UID database before.

e. Issue a letter communicating the UID number directly to the person who has been allotted UID number after de-duplication. UIDAI will also communicate the UID number electronically with the Registrar in UIDAI prescribed format.

f. Authenticate the identity of a person with a UID number as per the protocols prescribed by the UIDAI.

g. Prescribe protocols for record keeping and maintenance of the information collected for the issuance of a UID number.

h. Prescribe protocols for transmission of the data collected for de-duplication.

f. Wherever possible, provide logistic and liaison support to the staff and representatives of UIDAI when they visit the Enrolling agencies implementing the UID project.

g. Work with the UIDAI to resolve difficulties faced on the ground in the implementation of the UID project.

h. Follow the process set out by the UIDAI for resolution of grievances, difficulties and conflict regarding matters concerning the UID project.

8. The following is an indicative list of the obligations of United Bank of India as Registrar. These will be elaborated and detailed additional agreements and documents as deemed necessary by UIDAI. Notwithstanding anything contained in this clause, this list can be expanded or elaborated as required to ensure integrity and uniformity of enrolment into the UID database. In order to implement the UID project the Registrars shall:

a. Either do the enrolment directly or through Enrolment Agencies who shall be identified and appointed by the Registrars (UIDAI may recommend certain criteria to be fulfilled to be an Enrolment Agency). The Enrolment Agencies will be working on behalf of the Registrars and will be accountable to the Registrars; therefore they should follow all the standards, protocols, processes laid down by the UIDAI to implement the UID project. Registrars must ensure compliance by the Enrolling Agencies of the standards, protocols, processes laid down by the UIDAI on a continuous basis.

b. Follow the standards for data fields, data verification and biometric fields prescribed by the UIDAI.

c. Follow the process for enrolment of residents; this will include among other things the process for collection of biometric data prescribed by the UIDAI.

d. Use the software developed by the UIDAI for the enrolment of people into the UID database for the issuance of the UID number.

e. Use only those devices and IT systems whose specifications have been approved by the UIDAI.

f. Follow the protocols prescribed by the UIDAI for record keeping and maintenance.

g. Follow the process and systems prescribed by the UIDAI for transmission of the data collected for de-duplication.

h. Follow the confidentiality, privacy and security protocols prescribed by the UIDAI.

i. The Registrars will have the option to charge a fee for enrolment into the UID database and issuance of UID number but the fees charged from residents cannot be higher than the maximum amount prescribed by the UIDAI in this regard.

j. Follow protocols prescribed by the UIDAI for spreading and communicating the message, content and intent of the UID project, Since the UID logo and brand name are properties of the UIDAI, the UIDAI will prescribe the manner and limits of the use of UIDAI logo, brand name, brand design and other communication and awareness materials.

k. Follow protocols, processes and standards prescribed by the UIDAI for the implementation of the UID project.

l. Allow the UIDAI to conduct periodic audit of the enrolment process and to visit and inspect the offices and records of the Registrar and Enrolment Agencies and any other place the UIDAI or its empowered agency may deem necessary for their purpose.

m. Submit periodic reports of enrolment to the UIDAI in the form and manner prescribed by the UIDAI.

n. Wherever possible, provide logistic and liaison support to the staff and agents of UIDAI when they visit the Registrar and Enrolling agencies implementing the UID project.

o. Provide information related to the UID project to the UIDAI from time to time as requested by the UIDAI.

p. As far as possible, work with the UIDAI to resolve difficulties faced on the ground in the implementation of the UID project.

q. Follow the process set out by the UIDAI for resolution of difficulties and conflict regarding matters concerning the UID project.
